To Whom It May Concern:

I am writing to introduce myself and my family to you. My name is [redacted] and I am pretty much a native to Arizona, I have been here since 1968. I work for [redacted] page which is [redacted] Homes and have been with them for 3 years. My husband is [redacted] and he has been here for 17 years and he currently works for [redacted] k and has been with them for just over one year. My son [redacted] will be living with us who is attending PVCC and my husband's son C [redacted] who is in high school will also be living with us.

We do have a dog that we rescued and has become a member of the family for over a year now. His name is [redacted]. He is trained and is an inside dog. It is too hot here for dogs to be left outside. Plus he is very spoiled. We will be carrying Renters/Liability insurance through our carrier Nationwide which I have already contacted them.

We are renting do to the fact that I just recently sold my home, which a place that could not accomodate all of us after recently getting re-married. The home was only a two bedroom and I had trouble selling my home. Then when the market turned I lost all my equity in it and now was completely up side down. I ended up doing a short sale. My credit a course took a hard hit due to the short sale but my husband's is good and on mine you can see that I don't have any other late other than just my mortgage which was due to the short sale. I want to assure you that me and my husband do take pride in paying are bills on time.

My parents live here in Fountain Hills which are retired and they are always spending time with us. I am a clean fanatic of which people tell me so I assure you that we will take great care of your place. If you should require any other information from us please feel free to contact us.

Sincerely
